USDF REGION FIVE

Another Holiday season has come and gone and we're starting another fantastic and hopefully educational New Year!

There are many outstanding educational things on tap in the very near future and many more will be offered throughout the year. Arizona Dressage Association is hosting the third session of their Core Transformation series on January 11-12 with Hilda Gurney at Horseshoe Springs in Cave Creek, Arizona. Please reach out to them if you'd like to join this wonderful program.

USDF will be hosting the Adequan FEI Trainers Conference January 20-21 at High Meadows Farm in Loxahatchee, Florida. This year the presenters are Christine Traurig and Monica Theodorescu. It should be an exciting and very information two days. I look forward to seeing some of you there!

The USDF Bookclub is hosting a Zoom webinar with our own Region 5 member, Janet Foy, to discuss her book, Dressage for the Not-So-Perfect Horse on January 15th at 8PM Eastern. There is a link on Facebook to sign up and register (free to attend!).

The 2025 FEI North American Youth Championships will be returning to Flintfields Horse Park in Traverse City, Michigan July 29-August 3 and the USEF Festival of Champions will be returning to Lamplight Equestrian Center in Illinois as well August 18-24.

The dates of the 2025 USDF Region 5 Championships are September 18-21 and we will be at the Colorado Horse Park in Parker, Colorado. Qualifying will continue through August 25, 2026. Bid documents are now available for hosting the 2026 Great American USDF Region 5 Championships and are due to USDF by February 3rd. I'd love to hear from any interested parties as soon as possible so we can help you with the bid process and anything you're going to need for those bids. All Regional Championships will continue to be held by early October since the Champions and Reserve Champions of the Jr/YR (Training-Intermediate I), Adult Amateur and Open divisions will feed into the Nationals Championships through the nomination process. There are also wild card spots for those who obtain high enough scores in the Championship classes.

If you are getting ready to show for the upcoming season, here are a few reminders:

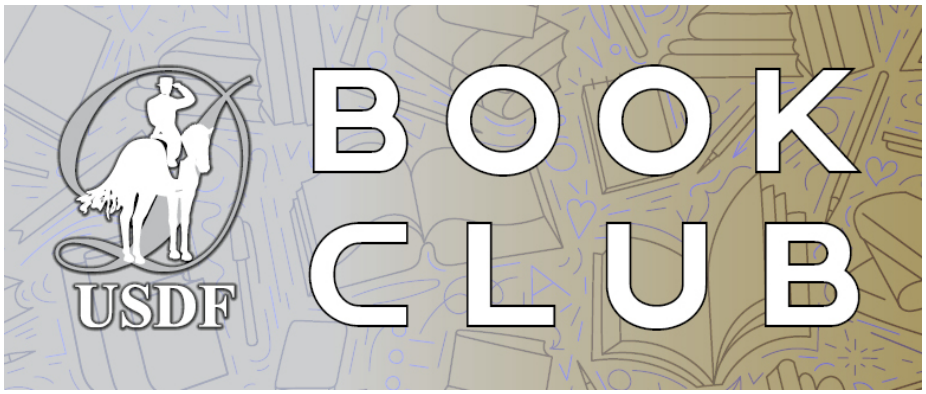

- Make sure the name on your horse's coggins matches their registered name that they show under. This is a USEF general rule and quite a few folks sadly don't pay attention to the need for all documents to have the horse's name match.
- Microchip rules will go into effect December 1st, 2025, so if your horse isn't microchipped, start to think about this now so you are compliant when the rule does go into effect.

Finally for this month, I'd like to congratulate Allison Hartman on receiving the Carol Lavell Gifted Memorial Fund Award for Region 5 from the Dressage Foundation. Allison is a member of the Rocky Mountain Dressage Society. Allison will train with Sue Martin for six days to build a relationship with her relatively new mare and take lessons on a schoolmaster. The Gifted Memorial Fund for Adult Amateurs was seeded with donations in remembrance of Carol Lavell's great dressage horse, Gifted. The Fund's purpose is for adult amateurs to set aside quality, concentrated time away from daily pressures to train and bond with their horses. The best applications include a training program of five to seven consecutive days with one trainer. Volunteerism is also an important requirement for this grant. Applications are due each year by September 15.

Happy New Year!

Till next month!
Heather Petersen

Region 5 Director

Dressage Radio Show Podcast

The ADA awards up to five $500 educational scholarships annually under the categories of Open, JR/YR and Adult Amateur. The committee may recommend a different formula for awarding scholarships depending on the number and category of applications received, subject to approval by the ADA Board of Directors. Completed application must be received by February 1st each year and requires active service to the organization (see details below). A scholarship committee consisting of three non-Board ADA members will evaluate each application received based on the stated scholarship criteria and make a recommendation to the Board of Directors.

- **Open and AA applicants must be an ADA member for a minimum of three (3) years** including the current membership year. **JR/YR must be a member for a minimum of two (2) years** including the current membership year. Membership must be in good standing.
- **The educational opportunity requested in the application must be a specific activity** that the applicant has established that promotes dressage education and dressage principle, and goes beyond regular lessons. Examples include clinics and training programs offered by recognized and/or certified instructors as well as USDF- and USEF-sponsored programs.
- **Open and Adult Amateur applicants must have volunteered their time or expertise in some way that has benefited the ADA membership as a whole.** Examples include volunteer service hours (**minimum 8 hours suggested**) during current and previous year at ADA shows or events, service on ADA Board or Committees, providing a host venue for ADA clinics, organizing a clinic or a fundraising event for JR/YRs, judging, writing Centerline articles, etc.. **JR/YR must have active volunteer service (minimum 4 hours suggested) during current and previous year.** Written verification of service must be submitted with application and will be strongly considered during selection process.
- The Scholarship Chairman notifies all applicants of the outcome. Those who have been awarded scholarships are emailed a "Letter of Agreement" that is a simple contract between the member and ADA that outlines where, when and how the money will be used as well as what the applicant is willing to do for ADA in return. Some ways that members give back for their scholarship assistance are writing a Centerline article on their educational experience, providing a venue for ADA events, organizing a clinic or a fundraising event for JR/YRs, etc., judging, etc. The Letter of Agreement also instructs the recipient to provide receipts to the Scholarship Chairman and Treasurer for all of his/her expenses associated with the scholarship for reimbursement up to the stated amount of $500. It also explains that if for some reason the recipient does not complete the program for which the award was made within one year, the scholarship will be considered forfeited.
- By accepting scholarships, recipients must agree to volunteer at a future date their time and/or expertise in some way that will benefit the ADA membership as a whole.
- Go to https://azdressage.org/scholarships/ for application and more information.
