CORE TRANSFORMATION SYMPOSIUM SERIES

SYMPOSIUM #2-THE BIOMECHANICS OF CORE TRANSFORMATION FROM YOU TO YOUR HORSE

December 7 &8, 2024 at Bar A Ranch

Rider Application Deadline: November 6th
Auditor Registration Deadline: November 30th

The world's best dressage riders all do similar things within their riding. The groundbreaking researcher, Mary Wanless, has proven that commonalities within posture and way of moving are the key components to success at the highest levels, and also the keys to rapid development in novice and amateur riders as well!

Our clinician for this next section, Missy Gilliland, has taken the deep dive into the biomechanics of excellent riding through training with Mary Wanless, the premier researcher of this niche, and her protege Heather Blitz.

Day 1: From an analysis of riding style, Missy will integrate "the isolates of excellence"; the critical postures and ways of movement that Mary Wanless has identified and isolated as the commonalities shared by the world's best horsemen and horsewomen in today's dressage world.

Day 2: The "Isolates" that you learned on day one will be easier to duplicate, and you will be able to directly apply your new form to the performance of your horse. You will smile, and so will your horse, when he/she learns to trust your new core stability, and starts to move with the precision that is born within balance!

The ADA awards up to five $500 educational scholarships annually under the categories of Open, JR/YR and Adult Amateur. The committee may recommend a different formula for awarding scholarships depending on the number and category of applications received, subject to approval by the ADA Board of Directors. Completed application must be received by February 1st each year and requires active service to the organization (see details below). A scholarship committee consisting of three non-Board ADA members will evaluate each application received based on the stated scholarship criteria and make a recommendation to the Board of Directors.

- **Open and AA applicants must be an ADA member for a minimum of three (3) years** including the current membership year. **JR/YR must be a member for a minimum of two (2) years** including the current membership year. Membership must be in good standing.
- **The educational opportunity requested in the application must be a specific activity** that the applicant has established that promotes dressage education and dressage principle, and goes beyond regular lessons. Examples include clinics and training programs offered by recognized and/or certified instructors as well as USDF- and USEF-sponsored programs.
- **Open and Adult Amateur applicants must have volunteered their time or expertise in some way that has benefited the ADA membership as a whole.** Examples include volunteer service hours (**minimum 8 hours suggested**) during current and previous year at ADA shows or events, service on ADA Board or Committees, providing a host venue for ADA clinics, organizing a clinic or a fundraising event for JR/YRs, judging, writing Centerline articles, etc.. **JR/YR must have active volunteer service (minimum 4 hours suggested) during current and previous year.** Written verification of service must be submitted with application and will be strongly considered during selection process.
- The Scholarship Chairman notifies all applicants of the outcome. Those who have been awarded scholarships are emailed a "Letter of Agreement" that is a simple contract between the member and ADA that outlines where, when and how the money will be used as well as what the applicant is willing to do for ADA in return. Some ways that members give back for their scholarship assistance are writing a Centerline article on their educational experience, providing a venue for ADA events, organizing a clinic or a fundraising event for JR/YRs, etc., judging, etc. The Letter of Agreement also instructs the recipient to provide receipts to the Scholarship Chairman and Treasurer for all of his/her expenses associated with the scholarship for reimbursement up to the stated amount of $500. It also explains that if for some reason the recipient does not complete the program for which the award was made within one year, the scholarship will be considered forfeited.
- By accepting scholarships, recipients must agree to volunteer at a future date their time and/or expertise in some way that will benefit the ADA membership as a whole.
- Go to https://azdressage.org/scholarships/ for application and more information.
