Volunteers - We Need You!

ADA will be hosting The Great American Insurance Group/United States Dressage Federation Region 5 Championships and ADA Octoberfest Dressage Show on October 5-7, 2018 and The ADA Fall Fiesta and 2018 State Championships Show on November 3-4, 2018

Does that sound like a big undertaking for our Club? YES, YES, YES. That's why we need you to clear your calendars for those two weekends and be ready to volunteer at WestWorld.

The ADA relies on volunteers to run every event. Free entry to paid ADA events, fulfillment of service requirements for ADA year end awards, scholarship and travel grant eligibility, and the rewards of friendship and free education are just some of the ways you benefit when you volunteer. We'd love to have your help for a morning or afternoon shift (4-5 hours) but even if you can only donate an hour or two, we appreciate your help. Competitors, we can also work around your ride schedule.

Volunteer service can be accomplished by you or your designated surrogate (who does not have to be an ADA member) in a variety of ways:

We can train you on site for these positions!

Runner
Scribe
Scorer
Ring Steward
Help Staff our Volunteer Table
Staff our Show Awards Table
Show Set up

The ADA has a big year ahead, with more hands-on volunteers needed than ever, and your volunteerism makes that rewarding for all of us. I would love to help you find your perfect volunteer position at each of the fall horse shows!

US Equestrian Announces New Safe Sport Training Requirements

Lexington, Ky. – On August 27, 2018, the US Equestrian Board of Directors approved a rule change requiring that effective January 1, 2019, all US Equestrian (USEF) adult members with a Competing Membership must complete USEF's Safe Sport Training in order to be eligible to participate in USEF activities. Members can immediately access the free Safe Sport Training directly through their member dashboard or can [click here](#) to learn more. We encourage members to complete the training as soon as possible.

US Equestrian President Murray Kessler stated, "I am very proud of the work done in drafting this proposal and the Board of Directors which approved this critical rule designed to keep our children safe while they enjoy, excel, and advance in our sport."

The rule has three main requirements. Sections 1 and 2 are already in effect and Section 3 has been added:

1. Every USEF member and Federation Participant* shall abide by USEF's Safe Sport Policy and the U.S. Center for SafeSport Code of Conduct. *As described by the USEF Safe Sport Policy, a Federation Participant is any USEF member or non-member, who participates in, or attends a USEF-licensed competition or sanctioned event.
2. In order to comply with S. 534, the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, the USEF Safe Sport Policy, and the Center's SafeSport Code of Conduct, every USEF adult member and USEF participant, with the exception of the victim, is required to report suspected sexual misconduct within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.
3. Beginning January 1, 2019, every USEF adult member with a Competing Membership must complete USEF's Safe Sport Training, as approved by the U.S. Center for SafeSport (the Center).

A 30 day grace period to complete the awareness training will be provided to all members who renew or join on or after December 1, 2018. Members joining prior to December 1, 2018 will have until January 1, 2019 to complete the training. Those who do not complete the training within the grace period will be ineligible to participate in USEF activities, including competitions.

The Safe Sport Policy and the rules that govern it have been created to protect all athletes from misconduct within the sport. This new rule is consistent with our efforts to ensure the safety and welfare of equestrian participants, especially minors. Education and training everyone is crucial to protecting athletes and eradicating abuse in our sport.

Additional information and resources on Safe Sport, how to report sexual and non-sexual misconduct, access to a free training module for parents of equestrian athletes, a Safe Sport FAQ, the Safe Sport Sanction list and more can be found [here](#).

USEF 'r' Judges Training Program: Part 1

-By Michell Combs

Thanks to The Dressage Foundation and the Shannon Foundation Fund for Judges' Licensing, I was able to attend Part 1 of the USEF 'r' Dressage Judge Training Program August 17-19, 2018, in Saugerties, New York. The program was hosted by NEDA, coordinated by the amazing Sally Davenport and supported by her extraordinary volunteers. The instructor for the program was FEI 4* dressage judge Sarah Geikie.

The flight in from Phoenix to Albany was challenging. The original route was through Chicago, which was experiencing bad weather. The flight was delayed and then changed. I was happy to make it to Albany and arrived three hours later than expected. Fellow candidate Missy Gilliland coordinated the Airbnb and rental car so we were all set.

On Friday, Sarah Geikie worked with the nine candidates to thoroughly study the candidate's notebook, reviewing USEF rules, the basics of dressage methodology and the scale of training. In addition, we watched videos analyzing various qualities of walk, trot and canter and then specific dressage test movements. All of us attended the group dinner at a restaurant by the Hudson Friday night.

Saturday was quite adventurous. All the candidates had an experienced, wonderful scribe to assist us. We made it through the training level oral and actual test judging. Then the rain started by the time we were ready to begin second level. After judging two tests, the downpour was so intense that we ran for cover. The show had to be cancelled the rest of the day due to severe weather and flooding so our group went back to the host hotel, where we finished judging second level rides from videos. Then Sarah spent time reviewing the tests as we judged them compared to how she judged them. We had discussions about the tests and overall placements. Our group bonded over the experience. Many of us went out for dinner and dessert afterwards. With the excessive rain and lightning, I admit that night I was singing "raindrops on roses" from "The Sound of Music!"

Sunday was back to normal. Thanks to the great footing at HITS-on-the-Hudson, the show was back up and running at 8:00 a.m. Our group completed first level oral and actual test judging and then reviewed our tests with Sarah's tests and reviewed our overall placings. After lunch we met as a group and then individually with Sarah to see how we were doing and what we needed to improve upon.

Some specific things we learned over the training were:

- 1) Look at the big picture; don't just judge the mistakes. Look at the whole horse—the attitude and confidence. A judge must be able to see the overall picture.
- 2) Have a clear expectation for the gaits.
 - WALK – Purposeful
 - TROT – Swing
 - CANTER – Jump

- 3) Understand the difference between impulsion and submission.
Can't do it – impulsion issue
Won't do it – submission issue
- 4) Ask yourself, "How would I ride the horse?" Work on suppleness? Work on energy?
- 5) Make sure the first-place horse is the one with the best quality and the best training.
- 6) Don't say "needs," say "work for improved _____" or "develop more _____."

Sarah believes it's important to be very specific in the comments and let the rider know what they can do to improve the movements and the overall test. It was an intensive and adventurous weekend. I believe the dressage community has nine wonderful candidates to be the next generation of dressage judges and further the sport.

GREAT AMERICAN INSURANCE GROUP/UNITED STATES DRESSAGE FEDERATION REGION 5 CHAMPIONSHIPS & ADA OCTOBERFEST

October 5-7, 2018

Westworld Equestrian Center, Scottsdale, AZ

<https://azdressage.org/octoberfest>

~ REGION 5 DIRECTOR'S MESSAGE ~

Congratulations to everyone from Region 5 who qualified and competed at the USEF Festival of Champions at the end of August at Lamplight in Illinois!

The USDF convention is coming up quickly and it's time to book your hotel rooms, airfare and register for the convention and symposium. We are in Salt Lake City, Utah this year November 28th - December 1st. Information and registration forms for the Convention and Symposium are available at www.usdf.org/Convention/. All Group Member Organization's (GMO) were asked to designate their delegates for the USDF convention Board of Governors meeting by August 31st and if not determined by that date, the GMO president would become the delegate. If the GMO delegate/president is not able to attend the convention, a proxy for that delegate can be submitted at any time up until the night before the BOG meeting at the convention. The advantage for the GMO is that the delegate will be known and can receive communication from the USDF office earlier. GMO Delegates are included on a list of USDF delegates to receive e-mail communications containing pertinent information on issues that will come before the 2018 BOG meeting at convention. If GMO's have not yet sent in their delegate information, please do so as soon as possible.

The Board of Governors will be considering a dues increase from the Group Members Organizations and there will also be some other significant and very important discussions that will be announced soon so I encourage all of you to attend since this is in our Region and a very critical year.

If you are going to Salt Lake City for the Convention or the Awards Dinner, make sure you set aside some time to explore the unique downtown, the Mormon Tabernacle, do some genealogy research, or you could get a group of friends together and take the free bus out to Park City and the old Olympics venue and quaint downtown area there. It's a beautiful time of year in Utah.

We are still looking for sponsors for the USDF Convention as well – it's a great opportunity to showcase our USDF Region 5! You can sponsor anything from the coffee breaks in the mornings to the Board of Governors breaks. Please contact Melissa Schoedlbauer (mschoedlbauer@usdf.org) or myself (slush@drwg.net) if you have any interest or potential sponsors we should talk to.

Don't forget, the Great American/USDF Region 5 Championships is coming up October 5-7 in Scottsdale, Arizona. Entries close September 10th, and we hope to see everyone there to cheer each other on or to help volunteer!

Till next month!

ARIZONA HORSE NOMINATION FORM

2019 Arizona State Dressage Championships

November 16-17, 2019, Pima County Fairgrounds, Tucson, AZ

Qualifying period for 2019 State Championships: October 1, 2018 through September 30, 2019

- ❖ \$25 Nomination fee must be received *before* qualifying scores are earned.
- ❖ Once the horse has been nominated it is not necessary to pay additional qualifying fees on entries. NOTE: The "Q" Qualifying fee on the show entry refers to Regional Championship qualifying, not to State Championships. Scores are tracked for State Championships, once the horse has been nominated.
- ❖ You must be a member of an Arizona GMO by August 31, 2019 to ride in the Arizona State Championship Show.

Horse Name:	
Horse USDF Number	
Horse USEF Number	
Owner Name	
Owner Address	
Owner Email/Phone #	
Owner USDF number	
Owner USEF number	

The Arizona State Championships will be held at the Pima County Fairgrounds, Tucson, AZ.

For scores to count toward qualification for the State Championships, a \$25 nomination fee must be paid for each horse. This fee must be paid before any rides will count toward qualifying.

Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. Multiple riders may qualify on the same horse if the nomination fee has been paid for that horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Fall Festival show. See State Championship Rule 5.

There are two ways to file your Nomination Form:

1. Send the nomination with a \$25 check, payable to Tucson Dressage Club "TDC" to the address listed below.
2. Include the nomination and check, payable to TDC, with your show entry to any Recognized show in Arizona-- ADA, Tucson Dressage Club (TDC), Coconino or Road Runner.

Check the current Arizona Dressage Omnibus or ADA and TDC websites for complete State Championship rules. Updates will also be posted on these websites, if required: ADA: www.azdressage.org; TDC: www.tucsondressageclub.org .

THE PURPOSE OF THE TEST

TRAINING LEVEL - To confirm that the horse demonstrates correct basics, is supple and moves freely forward in a clear rhythm with a steady tempo, accepting contact with the bit.

FIRST LEVEL - To confirm that the horse demonstrates correct basics, and in addition to the requirements of Training Level, has developed the thrust to achieve improved balance and throughness and maintains a more consistent contact with the bit.

SECOND LEVEL - To confirm that the horse demonstrates correct basics, and having achieved the thrust required in First Level, now accepts more weight on the hindquarters (collection); moves with an uphill tendency, especially in the medium gaits; and is reliably on the bit. A greater degree of straightness, bending, suppleness, throughness, balance and self-carriage is required than at First Level.

THIRD LEVEL - To confirm that the horse demonstrates correct basics, and having begun to develop an uphill balance at Second Level, now demonstrates increased engagement, especially in the extended gaits. Transitions between collected, medium and extended gaits should be well defined and performed with engagement. The horse should be reliably on the bit and show a greater degree of straightness, bending, suppleness, throughness, balance and self carriage than at Second Level.

FOURTH LEVEL - To confirm that the horse demonstrates correct basics, and has developed sufficient suppleness, impulsion and throughness to perform the Fourth Level tests which have a medium degree of difficulty. The horse remains reliably on the bit, showing a clear uphill balance and lightness as a result of improved engagement and collection. The movements are performed with greater straightness, energy and cadence than at Third Level.
