About Dressage

Dressage is a French term meaning “training” and its purpose is to develop the horse’s natural athletic ability and willingness to work making him calm, supple and attentive to his rider.

If you are a history buff, you might be interested in reading more about the beginnings of dressage that date back to Xenophon in Greece and include a long line of riding masters, both from the military and the famous riding schools which developed during the Baroque era.

Currently, competitive dressage involves nine progressive levels incorporating multiple tests within each level. Special tests are also written for musical freestyle, sport horse breeding and performances incorporating multiple horses and riders. Tests are revised every four years by the United States Dressage Federation (USDF), the United States Equestrian Federation (USEF) and the International Equestrian Federation (FEI).

Competition occurs in a regulation size arena with specific apparel and equipment all regulated by USEF. Judges are licensed by the USEF and the FEI and are assisted by scribes who write down the judge’s scores and comments during the test.

Success in dressage is dependent on the rider’s position and ability but because of the goal of the training, many horse breeds can be quite successful.

Watching dressage can be very exciting, especially the musical freestyle rides or tests at the FEI (highest) levels.

If you would like to continue learning about dressage, visit the bookstore or join USDF to obtain special member rates to the annual convention and other educational opportunities throughout the year.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse’s natural responses, as carried out in a gradual, planned program during which the horse’s athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse’s life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse’s welfare in pursuit of dressage training.

You may not apply for a USDF NM number online, but once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF Web site. Exception: Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF non-member ID requirements. Some exempt classes include USDF Introductory Level, Pas de Deux, Quadrille classes; or leadline exhibitions, walk-trot, opportunity and academy classes.

7) SCORES: It is the Competitor's responsibility to verify the accuracy of all scores. Scoring errors must be reported to the Show Secretary within one hour of the official posting of the scores from the last class of that competition day.

8) TESTS:. The current USEF, USDF and FEI Tests will be used. Scored tests will be given only to riders or their agents and only after the results are finalized and the class is placed.

9) TEST OF CHOICE: Show management may move a rider from a test of choice class to a scheduled class if that level test is offered that day. As an exception to rule 24 below, Test of Choice class placing will be determined by division, ranking scores by percentage, regardless of which test is ridden within each class.

10) SADDLERY: Saddlery will be checked in accordance with USEF Rule DR121.10 and at the discretion of the Technical Delegate. Horses must have a number on at all times except while in a stall. If three numbers are provided, it is strongly recommended by show management that horses wear two numbers (on each side of the bridle, saddle pad or each rider boot) while being ridden. The additional number is for the halter.

11) PRIZE MONEY: Prize money, if awarded, will be mailed to the owner or lessee of record within 30 days of the show. See individual Prize Lists for prize money policy.

12) MINOR EXHIBITORS: Parents or guardians of minor exhibitors shall hold the Competition Management harmless for injury to such minor. No minor's entry will be accepted unless it is signed by a parent or guardian. The signature of instructors, agent or other unrelated persons will not be acceptable except as specified in GR908.2.

13) RETURNED CHECKS: Checks returned by the bank will be handled according to the following procedure: A 10% penalty (minimum $35.00) will be assessed for each returned check.

14) JUDGES: It is the purpose of the management to run the horse show at the highest possible level of sportsmanship. The management uses the utmost care to select judges with broad experience and knowledge. The judges' decisions in the show ring are their own responsibility. Management accepts no responsibility for those decisions and can not attempt to influence the judges scoring in any way. Any competitor who has questions or concerns about their score is encouraged to speak with the Technical Delegate who will schedule

Rider must be showing at Second Level. 3. Rider must be an amateur in accordance with USEF Rules GR1306 and GR1307 and be registered with USEF as an adult amateur as of the show date. The eligible rider with the highest score of 60% or better in the designated Second Level Test 3 class will receive the Dover medal and neck ribbon. Winners will receive a $20 Dover Saddlery Gift Certificate for each of the first three USDF/Dover Adult Medals they win during the 2020 competition. Riders who win three USDF/Dover Adult Amateur medals in the same competition year will receive the USDF/Dover National Merit Award. All riders who qualify for a USDF/Dover National Merit award will be eligible to compete for the USDF/Dover Adult Medal National Championship. For more information about the Dover Program, visit ww.usdf.org.

24) TIES: Class placings (except Test of Choice), including ties in prize money classes, if offered, are specified in the USEF Rule Book. DR123.3. “In all competitions the winner is the competitor having the highest total points, the second placed competitor is the one with the next highest total points and so on. In case of equality of points the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions are equal the horses must remain tied.” DR123.8. “When the total of the scores for General Impressions is equal, ties in classes which involve prize money shall remain tied for the purpose of dividing prize money.”

25) UNSPORTSMANLIKE CONDUCT: Unsportsmanlike conduct will not be tolerated and management reserves the right to bar any person acting in a manner deemed improper, unethical, dishonest, unsportsmanlike or intemperate, or prejudicial to the best interests of the sport. GR702 will apply. Participants (including family members, competitors, paid staff, and volunteers) should note GR 702.1.e "Any act committed or remark made in connection with the competition considered offensive and/or made with the intent to influence or cast aspersions on the character or integrity of the licensed officials, approaching a judge before or after a decision without first obtaining permission from the show committee or steward/technical delegate, inspecting a judge’s card without the judge’s permission, or public verbal abuse of competition officials."

26) ARRIVAL DAYS: Competitors are reminded that all USEF and local rules are in effect upon entering the show grounds. This includes the arrival day. In the interest of safety, please keep pedestrian traffic to a minimum around warm-up and competition arenas. Dogs are not permitted inside the arena gates at anytime. Please be sure to give horses a wide berth for safety reasons.

STANDARD SHOW RULES

27) OPPORTUNITY CLASSES: Opportunity classes are intended to introduce competitors to showing at USEF/USDF licensed shows without incurring additional membership fees. Competitors showing only in opportunity classes are exempt from USDF and USEF membership and horse fees. These classes do not count toward high point or year-end awards. They will be pinned in two divisions, Junior and all other. Opportunity classes are for entry level riders (GR821.2e2). Please refer to the USEF website for more information on these classes at https://www.usef.org/forms-pubs/Z6TRWhW91y8/opportunity-classes---effective.

DISEASE OUTBREAK RULE

In the face of a disease outbreak, the show committee reserves the right to follow the AVMA (American Veterinary Medicine Association) and or the AAEP (American Association of Equine Practitioners) recommendations as to what testing would be necessary to consider a horse free from the disease in question. They also reserve the right to require written proof that said testing has been performed within the recommended period of time. If the competitor does not adhere to the requirements the show committee can refuse entrance to the show.

Some diseases are “Reportable Diseases”, meaning they must be reported to the State of Arizona Department of Agriculture. These diseases are subject to quarantine rules of the state. An example of one such disease is Vesicular Stomatitis. In the case of reportable diseases a health certificate is required from an accredited veterinarian with proper statement regarding said disease to accompany the horse.

Since this rule could apply to any number of diseases, and it would be impossible to list them all here, the show committee will post the testing/health certificate requirements on the sponsor web page if there is a current disease outbreak in the area.

EQUINE HEALTH

Licensed shows operate under USEF guidelines. These guidelines recommend that you keep your horse as healthy as possible when competing; i.e. current vaccinations against diseases prevalent in your area and current Coggins test. Additionally a health certificate is required if you travel across state lines to compete.

We remind you that stalls at the show facilities are not always disinfected between horses. The venues typically clean and remove shavings and manure only. You have the option of cleaning the stall before putting the horse in the stall. A detergent, such as Tide, and water mix is recommended by the USEF. Roccal® also works well on wood and Clorox® on hard surfaces.

If your horse becomes ill while at the show, please report it to the show committee even if you choose not to have it seen by a veterinarian. The show committee reserves the right to ask you to remove the horse from the premises. If that is not possible, the committee may ask you to isolate the horse in a designated stall. Please try to avoid contact with other horses in case the disease might be contagious. If your horse is sick and you have decided to leave the premises, you are required to notify the show committee. Also, be considerate of other horses at your home barn and let them know that your horse may have contracted a communicable disease.

We are all interested in keeping our horses as healthy as possible, so please don’t bring a sick horse, or one recently recovered to the show. Thank you for your cooperation.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with the following association numbers before the day(s) of the competition.

- United States Equestrian Federation (USEF) for horse, owner, rider, trainer and/or coach
- United States Dressage Federation (USDF) for horse, owner and rider.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

2. All horse owners and riders must be current ADA members for nomination and when competing in the Futurity.
3. Horses may not have competed in First Level prior to opening nomination date of October 1st or before any late nomination. Horses may not compete above First Level until after the Futurity. First Level tests include Young Horse, Para Equestrian and Eventing tests as they are listed in USEF rule DR119 as First Level tests. As an exception, ADA allows competing in USEF and FEI Four-Year-Old tests prior to competing in the Futurity.

NOMINATION FEES: Fees must be postmarked no later than:

  (Accompanied by copy of papers with proof of age)

A horse may be entered after October 1st at any time prior to the Futurity. However, any payment due up to that point must be doubled.

Fees must be received or postmarked on or before the due date.

Failure to make a payment by the due date will result in all previous payments being forfeited (i.e., No Refunds of previous payments). Owners must enter their horses in the Futurity Classes at ADA's Spring Celebration Show (First Level Tests 1 and 2) and pay the entry fees for these classes separately.

AWARDS AND PURSE DISTRIBUTION

Open Division and Amateur/JRYR Division each have a guaranteed added purse of $300.00 donated by ADA.

Horses are ridden in First Level Tests 1 and 2. Winner will be determined by the highest total average percentage score from all judges on the two tests. The Open winner receives the Risinger Futurity Perpetual Trophy plus trophy for new division. Ribbons are awarded through 6th place. All nomination fees go into the purse per division and are divided as follows: 1st –35%; 2nd –20%; 3rd –15%; 4th –13%; 5th –10%; and 6th-7%, with checks distributed no later than 30 days after the show.

CHAIRPERSON: Susan Skripac - 315.558.2938 - futurity@azdressage.org

RULES:

2. No limit to number of nominations.
3. **Owner and rider** must be current members of ADA at the time of nomination and time of competition.
4. Change of ownership does not void a nomination, but the new owner must be a current member of ADA and the Futurity Chairman must be notified of any change in Ownership.
5. The ADA Futurity Chairman reserves the right to cancel this Futurity for any reason deemed necessary (with approval of the ADA Board) and all fees will be refunded, less $5.00 per nomination).

9. ***No refund of nomination fees after October 10th.***

14. Horses and riders **must** be present at the Futurity Awards Ceremony to receive awards and prizes. Failure, without prior permission of the competition manager, to be present and properly attired will eliminate the official score and placing, and the next highest score will move up. If Awards Ceremonies are scheduled in conflict with a competitor's/horse's preparation or scheduled ride, the competitor and/or horse will be excused from the Awards Ceremony with permission of the Show Manager. *Requests to be excused from the awards ceremony must occur by end of the show day Saturday before the scheduled ceremony Sunday, except in the case of an emergency*. The Arizona State Championships will be held at the Arizona Dressage Association Fall Fiesta Dressage Show, November, 2020 (Exact Dates TBD) at WestWorld of Scottsdale, Scottsdale, AZ.

For scores to count toward qualification for the State Championships, a $25 nomination fee must be paid for each horse. ***This fee must be paid before any rides will count toward qualifying.***

Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. Multiple riders may qualify on the same horse if the nomination fee has been paid for that horse. If multiple riders qualify on the same horse, ***one rider only*** may compete in the State Championship classes and the concurrent Fall Fiesta show. See State Championship Rule 5.

There are two ways to file your Nomination Form:

1. Send the nomination with a $25 check, payable to Arizona Dressage Association "ADA" to the address listed below.
2. Include the nomination and check, payable to ADA, with your show entry to any Recognized show in Arizona--ADA, Tucson Dressage Club (TDC), Road Runner, or CARA Champagne Dressage Show.

Check the current Arizona Dressage Omnibus or ADA and TDC websites for complete State Championship rules. Updates will also be posted on these websites, if required: ADA: www.azdressage.org; TDC: www.tucsondressageclub.org.

ARIZONA DRESSAGE ASSOCIATION
2020 AZ STATE CHAMPIONSHIP RULES

October 31 - November 1, 2020 – WestWorld of Scottsdale, AZ

Qualifying period for 2020 State Championships: October 1, 2019 through September 30, 2020

The 2020 Arizona State Dressage Championship Rules and Nomination Form appear in the Arizona Dressage Omnibus or ADA and TDC websites. Updates will be posted on these websites, if required: ADA, www.azdressage.org; TDC, www.tucsondressageclub.org.

NOMINATION

Horses must be nominated to be eligible for participation in the Arizona State Championships. The nominating fee and form must be received BEFORE any scores will count toward qualification. The nominating fee is $25 per horse. Since only one horse/rider combination can compete at State Championships, the fee goes toward the horse. The horse may be ridden by multiple riders during the show year. Qualifying scores must be earned by the horse/rider combination, even though the nomination fee is paid on the horse. If multiple riders qualify on the same horse, **one rider only** may compete in the State Championship classes and the concurrent Arizona Dressage Association Fall Fiesta show. See State Championship Rule

QUALIFYING

Open to any Arizona Competitor, including student Competitor (U.S. citizenship not required). Rider must be a member of an Arizona GMO (GMO = Group Member Organization of USDF – United States Dressage Federation) by August 31, 2020 to ride in 2020 State Championship show classes**.** Rider need not be a member of an Arizona GMO at the time the qualifying scores are earned.

Competition year for the 2020 State Championships qualifying is from October 1, 2019 through September 30, 2020. The Arizona State Dressage Championship classes are held in conjunction with Tucson Dressage Club (TDC) Fall Festival I & II shows November 18-19, 2020. Horse/rider combinations must earn two (2) qualifying scores under two (2) different judges from USEF/USDF-recognized open Dressage classes offered at Dressage competitions recognized by the ADA and TDC and held in the State of Arizona between October 1, 2019 and September 30, 2020 in any test of the level. (Dressage competitions interested in obtaining recognition from the ADA and TDC, please contact scores@azdressage.org for details. Fees apply.) Horse/rider combination must declare Rider's status (Open, Adult Amateur or Junior/Young Rider) and must provide proof of eligibility to show management.

COMPETITION

Qualifying competitions must be USEF licensed and USDF recognized.

Qualified horse/riders/level will be published in the TDC ***Transitions*** and the ADA ***Centerline*** and on the TDC website (www.tucsondressageclub.org) and the ADA website, (www.azdressage.org). Copies of the list of qualifiers will be sent to all Arizona GMO's. Any rider who does not appear on the qualifying list (and who believes that s/he has indeed qualified) must supply a photocopy of the face of both qualifying test sheet rides OR copies of USDF records of qualifying rides to the show secretary upon entering Arizona State Dressage Championship classes.

1. Championship Classes will be double judged.
2. THE HIGHEST TEST OF THE LEVEL WILL BE RIDDEN FROM MEMORY.
3. NO WHIPS MAY BE CARRIED IN CHAMPIONSHIP CLASSES.
4. Cross entering divisions is not permitted unless at levels that do not offer separate divisions.
5. ***Within 24 hours prior and*** **at no time during the Championship or the concurrent Open Show may any horse entered in the Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (Exception: grooms riding on loose rein). Further, any horse entered in the Championship competition, even if entered at two levels, must be ridden by the same rider throughout all days of the competition, including the Open Show held in conjunction with the Championships show. Two shows held over the same weekend will be considered a single show. This rule applies as soon as the horse is on the grounds.**
6. Championship Classes will follow US Equestrian Federation and FEI rules regarding attire and equipment allowed. Ring stewards will check saddlery and inspect bits of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery or equipment rules will entail immediate elimination (See DR121.9).
7. Horse/rider combinations which have won a State Championship may no longer compete in a State Championship competition, in that division, at that or a lower level (Grand Prix Level excepted).
8. In the event of a tie (equality of total points) for Champion and/or Reserve Champion in Championship classes, the collective marks will determine first, second and/or third places (i.e., when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal, the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) This policy for breaking ties will also apply to subsequent placing in the class. *For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner.* In the case of a tie (equality of total points and collective marks) for Champion, prize money, (if offered) for Champion and Reserve Champion will be combined and divided equally between the competitors. See USEF Rules DR123.3 and DR123.8.
