Vol. 20, Issue 4

April 2020

To Our Members:

In these challenging times we hope all of our members are healthy and coping well with their social distancing efforts. We also hope that many of you are enjoying the opportunity to spend a little more time with your horses. We are all doing our part to flatten the curve of the COVID-19 virus. We thank all of the front line people who are out there helping others and keeping our community strong. Please do not forget to support our small local businesses, especially Greenway Saddlery and Tacketcetera Tack Store as they have been great supporters of our club.

As most of you are aware, shows suspensions have been extended until May 3rd. As of today we do not know if the suspension will be fully lifted by May 3rd, or if it will be extended. There is a chance that shows can once again take place but we may see stricter guidelines or restrictions. What we have learned from our experiences with this pandemic is that things can change and that "normal" may look much different than what we know. We will continue to monitor the equestrian community and to follow the USEF and USDF recommendations. We will communicate any changes to our members.

The ADA board has cancelled the board meeting for this month, but the Show Committee will meet virtually to discuss some of the challenges our members will be facing in regards to their opportunities to earn qualifying scores for Regionals and our State Championships. The items for discussion in the Show Committee meeting are:

- Year End Awards to be mailed-No Awards Banquet this year.
- Qualifying scores for the State Championships.
- 2020 Futurity Championship.
- Flagstaff Shows. Pending the outcome of the suspension by USEF/USDF
- Arizona State Championships – Equidome will be used. ADA has a contract in place with Westworld for October 31st- November 1st

USDF

PHONE (859) 971-2277 • FAX (859) 971-7722

Dear USDF members,

As I write this message, the state of Ohio, like many other states, has entered a two-week lockdown due to the COVID-19 pandemic. This week, US Equestrian announced that they are extending the moratorium on recording horse show results through May 3rd from the originally announced April 16th. This evening, your Executive Board approved at my request, a similar extension for both dressage competitions and any submitted schooling show results. In short, we are not through this yet. The impact is being felt worldwide, and this deliberate, measured extension will provide, we hope, a sufficient cushion for the tide to turn.

I know that everyone is worried, if not downright frightened, for their families, their livelihood, and their way of life, especially that part determined by a passion for horses and the sport of dressage. Some of you have even been told that you cannot visit, much less care for and ride, your boarded dressage partner. As USDF President, I really want to be able to provide you with answers and solid solutions to the upheaval we are experiencing, but I can't . . . at least not as of today.

As a licensed official (Dressage TD and FEI Steward), I have been educated in the need to look at all sides of a situation, consider the facts, and rely upon the rules before calmly arriving at a decision or recommendation. That is exactly how we need to approach this mess. You have questions, I know: your plans and goals for this year – will you be able to achieve them? NAYC? The Festival of Champions? Regional Championships? How will you be able to qualify when your shows have been cancelled? How will you get your last, or your first, score toward your rider medals? What if your young horse or your yearling cannot compete this season?

At this point, I can tell you that USDF, our staff, committees, and your Executive Board are committed to providing reasonable solutions and answers for your questions when, and as soon as, we can. Today, we can only hope that everyone takes this crisis very seriously so that it passes sooner over later. We must take this one day at a time. We dressage people tend to be longer-range planners, and many of us do not deal well with obstacles placed in our paths. But, I fervently request that you do your best to summon patience now. We are closely following all related equestrian organizations, as well as the directions and mandates from the government. When an "all clear" is sounded, we will look at the "where, when, and how" of our programs and competitions, with all due speed and concern for a (nationally) reasonable, level playing field. This, I can promise, to all USDF members.

We will all get through this eventually but only with your continued support, your shared concern for everyone in our sport at every level, and everyone's agreement that it is better to get accurate details than fast, fake news and ever-changing reports because it is based upon erroneous or unsupported information. Let us keep our eye on the ball. This is a potentially life-threatening disease. It has a real chance to be devastating on so many levels in the US. First, we must deal with these undeniable facts, and then we can direct our focus to our sport.

Thank you for your e-mails and letters of support. Please take care of yourself and others.

Sincerely,

Lisa Gorretta
USDF President

Dear USDF members,

In this time of social distancing, sheltering in place, and self-quarantining, many of you have less physical access to participate in dressage and with your horses than you would like. If you need a break from the constant stream of COVID-19 news, I want to remind you that USDF makes available numerous opportunities to members that can be accessed from home. For anyone who has not already done so, I highly encourage you to visit YourDressage, which is currently celebrating its one year anniversary. Take this opportunity to revisit some of the most popular posts from our first year and to enjoy something you may have missed that deserves a second look, not to mention the new content being uploaded daily!

During time out of the saddle, keep your dressage mind sharp by taking advantage of online courses and educational resources available through the new USDF University. USDF University offers a great opportunity for our members to keep up with their dressage education, while also earning USDF University credits. In addition to the short courses, quizzes, learning modules, and the full educational resource library available through USDF University, you may also find value in accessing our digital streaming video library, which houses not only On The Levels, but also a number of videos from past USDF Symposia and Trainers Conferences, and in tuning in to the Dressage Radio Show podcast, the official podcast of USDF. Still hungry for education? Don't forget that members have access to the full digital archive of the award winning USDF Connection magazine, by simply logging into the USDF website.

And finally, for those who are choosing to pass these difficult times by stimulating the online commerce economy, I urge all members to take advantage of their discount in the USDF online store, as well as with all of our USDF Member Perks Partners.

As we continue to navigate these uncertain waters, rest assured that USDF continues to monitor and evaluate any and all developments related to COVID-19 and how they may impact upcoming USDF programs and activities. For the latest developments and updates relating to dressage and to stay apprised of other USDF opportunities, visit the USDF website at www.usdf.org and make sure to follow us on our social media platforms; Facebook, Instagram, and Twitter.

USDF Suspends Accepting Scores from USEF-licensed/USDF-recognized Competitions

Lexington, KY (March 18, 2020) – The United States Dressage Federation™ (USDF) Executive Board held an emergency meeting on Tuesday, March 17, to discuss the impact of the COVID-19 virus on the US dressage community. At this meeting, the USDF Executive Board voted that, effective immediately, all results processing will cease through April 15, 2020. As a result, any scores earned at USEF-licensed/USDF-recognized competitions during this time will not be applicable to any USDF championship or awards programs, nor be recorded as a part of a horse or rider's official record with USDF. This will also apply to scores earned at schooling competitions participating in the USDF Regional Schooling Show Awards Program. USDF will continue to assess the situation on a daily basis and will update our position as circumstances warrant.

Additionally, the USDF Executive Board voted to waive their existing policy for any USEF-licensed/USDF-recognized competition that chooses to cancel their event, due to this decision, to be refunded any USDF Competition Recognition fee paid, in full, within 30 days of the notice of cancellation to USDF. Additionally, show management of any cancelled competitions shall refund all USDF Regional Dressage Championship qualifying ride fees paid. Fees paid for the purpose of participating in the USDF Regional Schooling Show Awards Program, by affected schooling competitions, will also be refunded, in full, within 30 days of notice to USDF.

It was also decided that any USDF organized or hosted educational events scheduled through the weekend of May 22-24, 2020, will be cancelled with the intention to reschedule them for a future date.

USDF President Lisa Gorretta spoke of the decisions, "We have not made these decisions without careful consideration of the impact of the Coronavirus pandemic upon our members, staff, volunteers, the sport, and our entire dressage community. Following the lead of our NGB, US Equestrian, for this initial period of the suspension of results will allow us to monitor this national emergency and the directions of the CDC and other authorities, in order to address future developments and issues as they may arise. We are hopeful that our country will benefit from swift actions from everyone and a resulting shorter duration of this life-threatening virus outbreak."

To access Coronavirus Resources, visit the USEF website at <https://www.usef.org/media/coronavirus-resources>. Or, for more information about USDF's decisions, to ask questions, or for the most up-to-date status of USDF, please visit the USDF website at www.usdf.org, or follow us on social media.

The Arizona Dressage Association Board Needs You!

Hi everyone,

Our Board is down to 8 Board members! We are short 4 directors and we could use your help. Are you looking to contribute to our club? Do you have fresh ideas? We are looking for a few more energetic members to help us continue to serve our association. We welcome all of you to come and attend a few meetings to see how we all work together to organize events for our members. We are a great group and we all enjoy working together. We meet once a month-starting at 6 p.m. It is always on the second Monday of the month at the NPX Neighborhood Joint restaurant in Phoenix-At the corner of Tatum Blvd and Bell Rd. We would love to have you join us! Please reach out to Tania Radda at taniaradda.ada@gmail.com and let us know if you can come to one of our meetings. We look forward to hearing from you!

April 2020 Region 5 Message

Gosh what a winter it has been here in Colorado! It has been very snowy and wet in Colorado this winter and we have green pastures that are already starting to come in very nicely, but our horses have had very little turnout due to all the mud the last few months and they are a bit stir crazy at times. ... and now to top it all off, you are all aware of the COVID-19 that is now in our presence.

We had entered a couple of shows in Texas and Arizona this March and April which sadly have had to cancel due to the virus and I've already had to cancel my first set of competitions that I was running in early May. It has been a hard spring for everyone all over our world, so though it's hard to have so much upheaval in the dressage world, I'm thankful that many of us still have our health and our well-being.

One big item of news is the move of our 2020 Great American/USDF Region 5 Regional Championships from the Colorado Horse Park in Parker, Colorado to Hipico Santa Fe in Santa Fe, New Mexico. The dates have also changed and the Championships will now be held September 17-20, 2020. We sadly found out that the Horse Park would no longer be able to honor our contract and we are very very thankful to Hipico Santa Fe for being able to accommodate us.

For the 2021 Great American/USDF Region 5 Regional Championships, we received 1 bid and it was evaluated by a committee made up of 6 individuals from our Region who are active competitors, judges, technical delegates and trainers and their recommendations were sent on to USDF and their site selection committee will soon make a recommendation to the USDF Executive Board regarding the Championships. We will know their decision in May and I will share it with everyone as soon as we find out.

The deadline for Participating Member Delegate nominations is April 15. Our region will have 5 PM delegates for the 2020 USDF Convention in Omaha, Nebraska December 2-5. You can check the status of our delegate nominees by going to the link below. Please check your status to make sure your acceptance is there if you would like to be a PM delegate candidate. If you are not listed and you would like to be a PM delegate, please contact Eva Maria Adolphi at adolphi@burgoyne.com. Please do not commit to be a delegate unless you know you can attend. There is some financial assistance from our Region for those PM delegates who do attend the convention.

<http://www.usdf.org/about/about-usdf/governance/nominating/accepted.asp>

As of May 12th, our potential candidates for the 2020 FEI North American Junior and Young Rider Championships August 4-9 in Travers City, Michigan will be finalized. As I write this, we have 3 riders who have declared (2 Juniors and 1 Young Rider). If you would like to contribute or help with their fundraising efforts, please contact Joan Clay, our Region 5 Jr/YR FEI coordinator at jnclay@comcast.net or 970-420-0877. This competition is a reasonable distance for us to travel by trailer, which makes things much more feasible, but we still need your help in order to be able to. If you're a rider, PLEASE DON'T FORGET TO TURN IN YOUR DECLARATIONS!

Till next month!
Heather Petersen
