A BIG THANK YOU TO ALYSSA BARNGROVER WITH FARNAM FOR CONTINUED SUPPORT PROVIDING SHOW PRIZES, AND WASH STALL SUPPLIES!

Welcome to the 2023 Great American Insurance Group/USDF Regional Championships! Congratulations on qualifying for this very important competition. Whether this is your first time qualifying or you have competed in a number of Regional Championships before you can be proud of your accomplishment.

Thanks to the continuous support of the Great American Insurance Group, the Great American/USDF Regional Championships have become an institution serving Adult Amateurs, Open and Junior/Young Riders. They can be part of the bigger goal of earning an invitation to the

US Dressage Finals presented by Adequan or just as importantly they can be a stand-alone goal. Either way your participation is valued and appreciated.

Putting on a Regional Championships can be a major undertaking and requires a number of volunteers. Please be kind to them and remember to thank them for giving their time. If you are planning on the US Dressage Finals in November please remember to file your declaration!

Good luck to everyone and I hope that you find the Regional Championships to be an enjoyable experience.

Thank you to our show managers, staff, volunteers and sponsors, who are all part of the small village who make this show possible. Finally a big pat and a treat for our wonderful horses, for they are the ones who got us here!

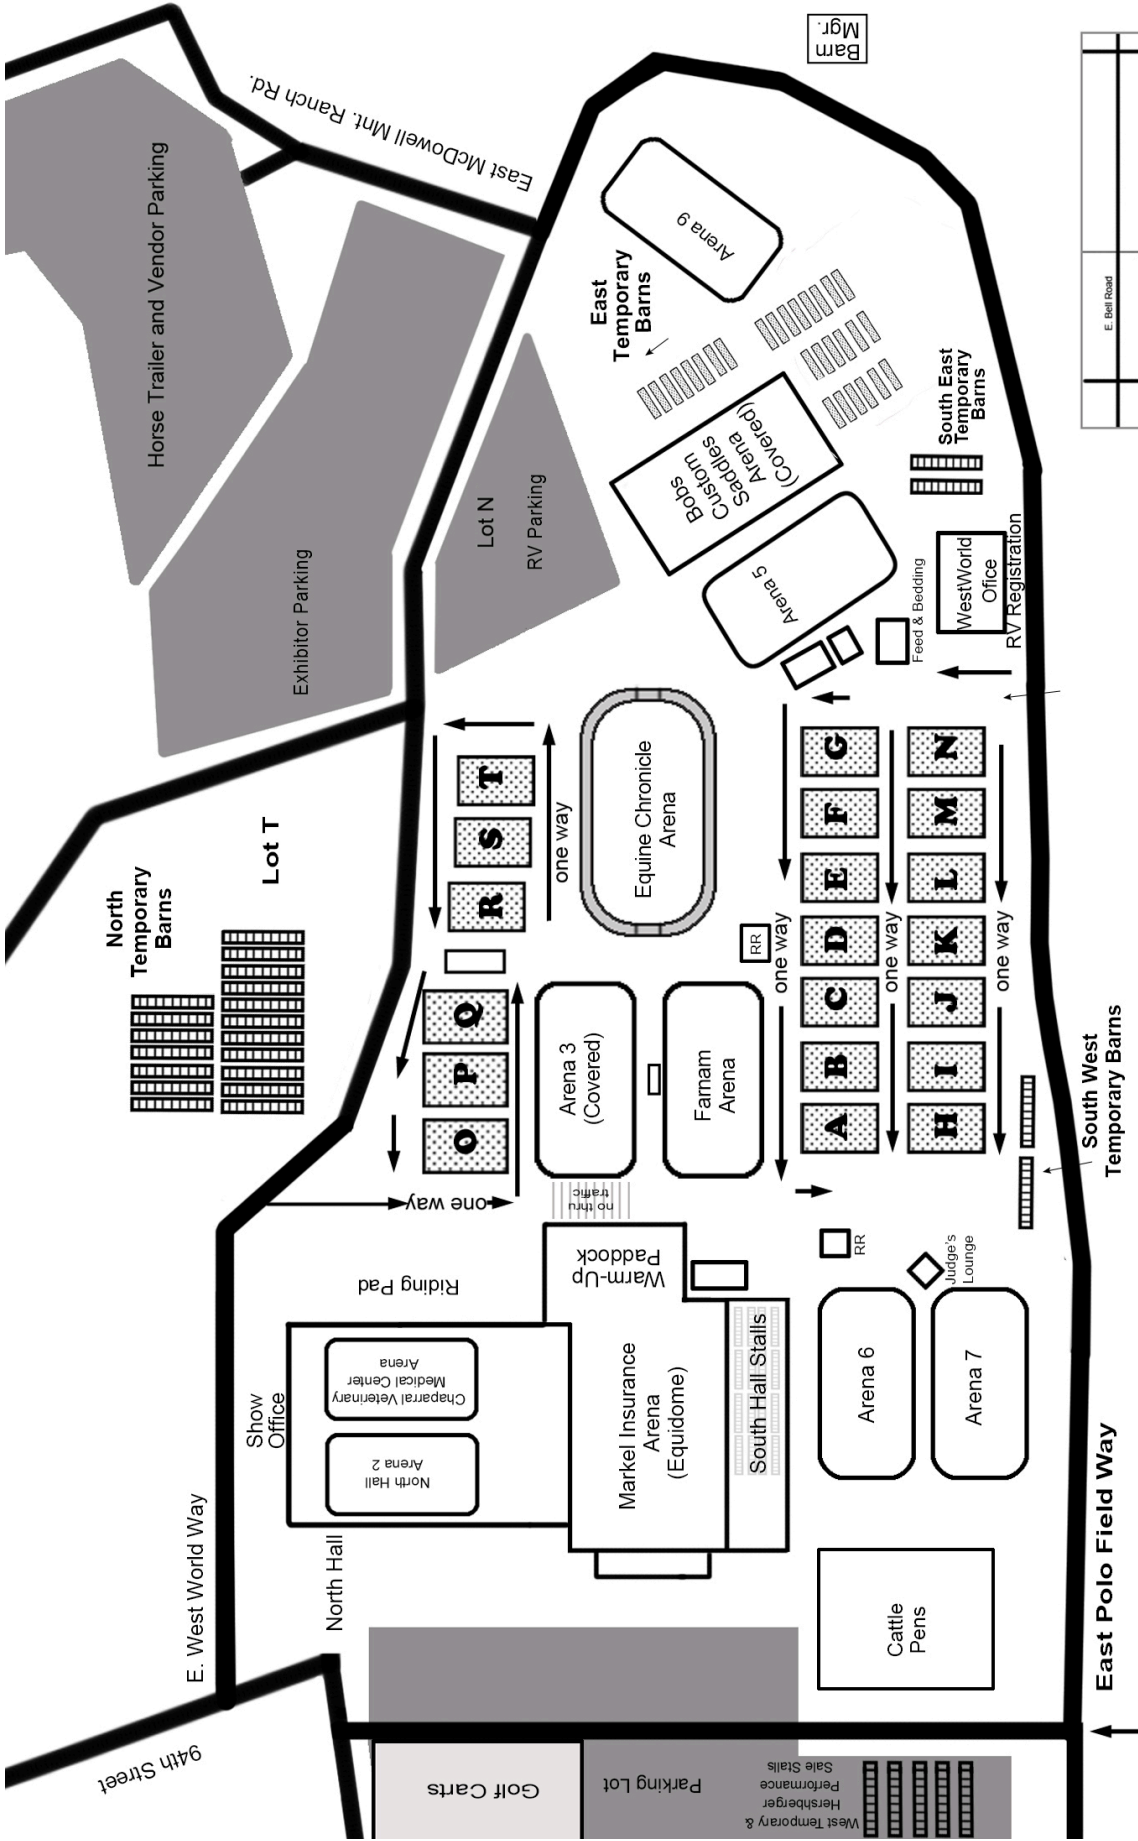

George Williams
USDF President

Show management has made the decision to leave the gate OPEN at 'A'

Competitors: If you would like to provide feedback to USDF, you can use the Regional Championship Evaluation Online Survey to file an electronic evaluation.

UNITED STATES DRESSAGE FEDERATION™

USDF

US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

Note: Beginning in 2023, Freestyle classes at Regional Championships will have two different classes per level, Open/Junior/Young Rider and Adult Amateur. The top two declared horse/rider combinations from the Open/Jr/YR Freestyle class and the top two declared Adult Amateur horse/rider combinations from the AA Freestyle class for each level from each of the nine Regional Championships will be automatically invited.

To be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Declaration Requirement: The horse/rider combination must declare their intention to participate by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.
- 3) Ranking in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

2024 Great American Insurance Group/USDF Regional Dressage Championships

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and recognized by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2024 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Membership/Registration Requirements for Qualifying and Championships

- Must have a USEF membership (Active or Life).

If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

4 STEPS TO HEALTHY HOOVES

by SmartPak

Every rider has heard the saying “no hoof, no horse.” The quality of your horse’s hooves can be influenced by a number of factors, including these four key areas: regular professional maintenance, environmental management, exercise and activities, and proper nutrition.

Why hoof health matters

There’s more to your horse’s hooves than meets the eye. Your horse’s outer hoof wall surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot.

Weak, unhealthy hooves can cause a variety of problems, from unsightly chips, cracks, and crumbling, to unsoundness and discomfort. But healthy hooves take a long time to grow. That’s because just like our own fingernails, the hoof wall is mostly composed of dead tissue, so it can’t mend and heal. Instead, damaged sections have to be regrown and replaced, and because your horse’s hooves grow from the hairline down at an average rate of ¼” per month, completely growing out a healthy hoof wall can take up to a year! That’s why it’s a smart choice to support healthy hooves before your horse’s hooves show signs of weakness.

1. Regular, professional maintenance

In the artificial environments we provide, horses simply can’t maintain their hooves as they would in their natural environment, and poorly maintained hooves can have far-reaching effects. A long, unbalanced hoof will negatively impact your horse’s way of going, putting undue strain on the joints, tendons, and ligaments of the entire limb. So it’s important to think of hoof care as a major part of your horse’s overall health and wellbeing — after all, it’s called “horse shoeing,” not “hoof shoeing,” for a reason!

Whether your horse is barefoot or shod, working with a knowledgeable hoof care professional is essential to maintaining healthy, well-balanced hooves. And like most things in your horse’s life, consistency is key. That’s why the first step to supporting optimal hoof health is finding a hoof care professional you trust, setting up a regular maintenance schedule, and sticking to it!

2. Environmental management

Your horse’s hoof is equipped to manage natural, gradual fluctuations in moisture. However, between the barn, the pasture, the ring, and the trails, you’d be surprised at how many times your horse’s hooves go from wet to dry and dry to wet every day. Unfortunately, frequent shifts from one environment to the other can cause the hoof wall to rapidly expand and contract, which may lead to cracks and other structural problems.

In order to help your horse put his best foot forward, try to limit changes in moisture level as much as possible. For additional support, try a topical that actually helps stabilize moisture levels in the hoof, like a hoof hardener or a hoof gel instead of turning to a standard hoof moisturizer.

3. Exercise and Activity

You probably know that turnout and exercise have many benefits for your horse, but did you know that one of the benefits is supporting hoof health?

Your horse’s hoof surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot. That’s because the strength of the equine foot depends on nourishment provided by good circulation. By supporting healthy circulation, you’re ensuring nutrient-rich blood is pumping throughout the foot.

But how do you support healthy circulation? That’s where exercise and activity come in! In order to promote good blood flow, the frog and the solar (bottom) surface of the foot need to be engaged — in other words, your horse needs to get moving! Research

shows horses in nature graze and move for approximately 17 hours per day, but modern horsekeeping often results in much less activity than that. Maximizing your horse’s turnout time and space is a great first step, but if time and/or space are limited — or your horse is a lazy pasture puff — consider looking for opportunities to up his exercise, including lunging, hot-walking, trail riding, etc.

4. Proper nutrition

Nutrition is another area of hoof health that can’t be ignored. Proper nutrition plays a vital role in helping your horse maintain healthy, resilient hooves, which is why daily support from a supplement is a smart way to support healthy hooves all year long.

Biotin is vital to the growth of strong, healthy hooves due to its role in collagen formation. Research has shown that supplementing with 10–30 mg of biotin per day may help promote growth rate and integrity in poor quality hooves. In addition to biotin, look for supplements that provide the amino acids critical to hoof health. Lysine, methionine, and threonine — which play a vital role in the formation of hoof structures — are essential amino acids, meaning that your horse can’t make them on his own and needs to get them from his diet.

Minerals like copper and zinc have also been shown to support healthy hoof growth and help keep hooves strong. Lastly, remember how in step 3 we talked about the importance of healthy circulation? Well, you can support circulation from the inside, too! Look for a supplement that has ingredients to support blood flow and vascularity, like the amino acid arginine and the B vitamin niacinamide.

Give your horse the solid foundation he deserves

Now that you know four ways that you can help support your horse’s hoof health, take time to protect and maintain them, rather than waiting until there is a problem later. SmartPak offers resources and tips with additional ways to support your horse’s feet at www.SmartPak.com

USDF

Great American Insurance Group/USDF Regional Championships Required Rules for Prize List

A. MEMBERSHIP/REGISTRATION REQUIREMENTS FOR QUALIFYING AND CHAMPIONSHIPS

Rider:

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Active or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).
- Must have a USEF (Annual or Lifetime) Horse Recording.
- USDF horse registration and USEF horse recording must be in the name(s) of the current owner(s) or lessee(s).
- A horse is not required to have breed registry papers.

Owner:

- Must have a USDF Participating or Business Membership and a USEF membership (Active or Life Membership or Annual or Life Recorded Farm/Business). If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.
- * PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee

of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.

4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF competition affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics.
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Verification of USDF/USEF membership cards and horse recording and registration certificates must accompany

- championship entry (USDF PM for rider, USDF PM or BM for owner, etc.)
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
 8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
 9. **The gate at "A" may be left open for every USEF/USDF championship ride. Decisions to either close the gate or leave it open must be consistent for all championship classes. Each Regional Championship competition management must publish in its official prize list if the gate will be closed in championship classes. (USEF DR126.2.f.5)**
 10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
 11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks or artistic scores) occurring in third through eighth places will remain unbroken. In the case of a tie (equality of total points and collective marks or artistic scores) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
 12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
 13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.7) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
 14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.2.i.6)
 15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3. c, and USEF GR1018.3 and DR127.3)
 16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)
 17. USEF/USDF championships classes may not be split. (USEF DR126.2a.4)
 18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.
 19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.
 20. **Ribbons and prizes can be distributed prior to the arrival at the awards ceremony. Award ceremony attendance is not mandatory. Riders should let show management know if they are not attending.**
 21. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. If the horse has been found to have left the grounds, and returned, it would be eliminated from championship classes, but not in non-championship classes. (USEF DR127.8)
 22. For USEF/USDF freestyle championship classes, the competitor must provide the show with music in two formats. One of the formats must be a CD which will play on a CD player (i.e. no rewriteable CDs). Only one freestyle music per CD. Other acceptable formats/methods must be specified in the prize list. All music must be submitted in the time frame specified in the prize list. Formats must include CDs and/or digital files (MP3 and/or WAV). See also H.7.
 23. The test ridden for national level USEF/USDF championship classes will be the highest test of the level.

Rev. 2/16/2023

F. Additional Rules and Requirements

7. Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies if they elect to participate. For safety reasons competitors may decline to participate in the victory round. Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.
